food

meal recipe: **beef stew**

- 1 lb beef stew meat**
- 1 small sweet potato**
- ½ cup diced carrots**
- ½ cup diced green beans**
- ½ cup flour**
- ½ cup water**
- 1 tbsp organic vegetable oil**

Directions

Microwave the sweet potato for 5-8 minutes until tender but still firm. Cut up the beef stew meat into nickel-sized chunks and dice the sweet potato. Heat the vegetable oil over medium heat in a large pan. Add beef chunks and cook for about 10- 15 minutes or until well done. Take the beef out of the pan but keep remaining oil in pan on low heat. While whisking, slowly add the flour and water to the oil to make a thick gravy. Add the sweet potato, meat, green beans and carrots to the gravy and mix to coat. Cook about 10 minutes or until the carrots are tender. Let the stew cool completely before serving to your senior dog. Store in refridgerator for up to five days.

treat recipe: **peanut butter and banana biscuits**

- 1 egg**
- 1/3 cup creamy peanut butter**
- ½ cup mashed banana**
- 1 tablespoon honey**
- 1 cup whole wheat flour**
- ½ cup oats**
- 1 lightly beaten egg white for the egg wash**

Directions

Preheat your oven to 300°F. Lightly grease a cookie sheet. In a bowl, stir the peanut butter, egg, banana and honey until well blended. Add the oats and flour and mix thoroughly. Using flour and a rolling pin, roll out the dough until it's about ¼-inch thick. Use a cookie cutter to cut into your desired shapes. Place the biscuits on the baking sheet and gently brush the tops with the beaten egg white. Bake the biscuits in the oven until they're golden brown and dried, usually about 30 minutes. Take them out and cool them on a wire rack.

activities

Though it's important to keep older dogs active, it's also important to do low impact activities so as not to overstain them and cause joint damage.
